Our gardens blend sustainability with beauty, featuring unique flowers and birdlife year-round, maintained with eco-friendly practices. Our commitment to natural care enriches our garden-to-table dining, distinguishing our resort as a leader in environmental stewardship and culinary excellence.

The Gastrotainment concept of Ela Excellence blends delicious food (gastronomy) with immersive fun. Imagine buffets, themed nights, live cooking stations alongside cooking classes, tastings, and captivating shows – all woven together with a visually stunning atmosphere. This creates a vibrant ambiance where families can connect, explore new flavors, and make mealtimes a highlight of their stay.

With offerings ranging from special dietary meals to premium brand beverages and round-the-clock services, every meal becomes a celebration of culinary excellence for families.

Additional perks like daily minibar refills and a wide selection of drinks ensure a seamless and enriched dining experience, underscoring our commitment to exceptional family gastronomy.

Meet the Ela Sustainability Vision!

Embracing the reality of our planet's finite resources, we are uniting our steps towards a sustainable world under the Ela Sustainability Vision, prioritizing the future with a progressive approach.

Guided by our unwavering commitment to preserving the quality of life for future generations, we are carrying out our activities in various fields, including the protection of our olive trees, the ecological and biological diversity we have achieved at Ela Garden, our waste reduction initiatives, and our preference for organic products from local producers. We encourage and support all our stakeholders in this direction.

Through our ongoing process of sharing and contribution, we strengthen our bond with society, and in unity and solidarity, each of us draws strength from each other to achieve success and happiness.
